Bacco wants no triumphs nor altars only one thing he asks of men; to drink gracefully wine without water, if they wish to keep death away.

Salvat Monho
- Basque poet-ca. 1800s

In the search for the ultimate gastronomic experience, it is important not only to have sublime food, but also the perfect wine to accompany it.

As we embark on our 9th year anniversary, and of recent we managed to win our first MICHELIN star 2023. It's a never-ending journey to give our guests the best food and wine pairing epiphany moment.

We are constantly looking for ways to raise our guest offering to the next level. From Bordeaux Cru Classé to grower champagnes, from stalwarts in the classic regions to artisan growers challenging the conventions of winemaking.

And being recently awarded by wine spectator 2 glass award speaks for our 800+ label wine list which celebrates "an exceptional wine list and displaying a deep commitment to wine"

And with the help of our expertise, you will find the perfect vinous companion to our exquisite plates.

Wishing you a wonderful gastronomic adventure in finding your perfect pairing with us at DC Restaurant.

À la vôtre
